

This is why I am proud of our school as we enter our 25th year.

Training: We offer the best ballet training in Palm Beach County. Following a curriculum and syllabus that is rooted in scientific fact and not just tradition allows our students to train safely and grow into the best dancers they can be!

Miss Charlotte and our young dancers.

Environment & Care: We provide a safe, nurturing and character building environment for our students. We are invested in our students... we are here to teach dance but helping students to grow into amazing young adults is the most important aspect of the academy. We love our students and their families. Helping parents in training their children in the way they should go!

Our annual Father / Daughter Dance.

Performing Opportunities: We provide performing experiences in professional productions with Palm Beach County's only professional company, Ballet Palm Beach. This season... *The Nutcracker*, *Snow White*, *Gatsby* and *A Midsummer Night's Dream*. Our Year End Performances and Reports of Progress are a way to show what our dancers have learned throughout the year and perform for our families. Each class is seen for at least 45 minutes and at no additional cost to our families.

Wonderland at The Kravis Center.

Experiences: We offer unique and life changing experiences through Ballet Ambassadors. Traveling overseas to perform, to expand our understanding of different cultures and to help us see past ourselves! We have taken students to Cuba, Croatia, Bosnia, Russia, Hungary and France. This season our students will also be part of local outreach performances, including our *The Nutcracker* performance at the Kravis Center performing for 2200 students!

Adriana Salazar, Emily Nichols, Moriah Raisis, Shannon Murray and Eric Emerson at the Eiffel Tower!

This is why our school is the best place to be for ballet training. Please invite your friends to become part of our ballet family, Ballet Palm Beach Academy! Your recommendation is our best advertisement... If a new student registers for our 2017/ 2018 Season and indicates you as the "How did you hear about us?" you will receive a \$75 credit!
Registration is open NOW!

Thank you, Miss Colleen
